

General Information:

The purpose of this seminar is to update the participant on the latest healthcare industry trends, treatments and technology. Whether that be in the cardiovascular lab, the GI lab or in the compliance department, the subject matter is pertinent to the nurse auditor. We also included topics about caring for people at vulnerable points in their life including victims of human trafficking, the elderly and those approaching death.

This activity has been submitted to the Arizona Nurses Association, a member of the Continuing Nursing Education Group, who is an accredited provider of CNE by the ANCCCA for 10 nursing CEUs. 11 contact hours have been requested from the Council for Certification of Medical Auditors as continuing education for Certified Medical Audit Specialist (CMAS) and 11 contact hours from the American Association of Medical Audit Specialist (AAMAS) for the Certified Clinical Financial Auditor (CCFA). The certificate for all CEU's will be provided to the participant after verification of attendance at the conclusion of the seminar.

For more information regarding contact hours, please contact:
Connie Vaughan, nurse planner,
at
Connie.vaughan@memorialhermann.org

Please wear business attire to the seminar. It is recommended that participants bring a light sweater or pashmina in case the room is too cool. Lunch and snacks will be provided both days. A 35th year anniversary celebration is planned for Thursday evening. Formal Invitation to follow.

TMAA's 35th Conference "CELEBRATING LIFE IN HEALTHCARE" October 14 and 15, 2021

Conference Overview:

This year TMAA will present its final seminar. The organization has been in existence for 35 years serving and educating medical auditors across Texas and surrounding states. We have a proud history of bringing excellent opportunities to our members and this year will be no exception.

We have found an excellent group of presenters with subject matter consisting of: Aortic Valve Replacement, Colon Cancer treatments, Forensic Exams, Compliance Trends, End of Life issues, and Human Trafficking (a requirement for license renewal).

This will be our 35th and last year of coming together to learn and network. We've made memories and friends at the seminars throughout the years while staying current on topics relevant to our profession.

This year's TMAA business meeting will include a vote to dissolve the organization. We hope as many current and past members as possible will join us to celebrate the accomplishments of this organization.

The seminar location is:

Hyatt Place/Riverwalk
501 South St. Mary's Street
San Antonio, Texas 78205
Phone: 210-227-6854

TMAA Room Rate is: \$109.00 (single or double)
Guaranteed room rate until: September 13, 2021
Parking fee is: \$17.00/day
